

COVID19 TEST RESULTS

TO GET YOUR COVID-19 TEST OR BLOOD TEST RESULTS:
**CONTACT YOUR GENERAL PRACTITIONER OR
CONSULT THEM ON THE INTERNET**

- 1** Open the page: brusselshealthnetwork.be
 - 2** Click on the tab > Patients
 - 3** Connect or register by e-ID or Itsme
(registering in the Brussels Health Network portal constitutes consent to the sharing of health data between healthcare providers. Unsubscription possible at any time.)
 - 4** Once on the Brussels Health Network portal, click on the tab > My documents
 - 5** Click on > Laboratory result dated the day of collection.
- IN A POSITIVE TEST:
consult your general practitioner.**

Emergencies and laboratories do not have access to your results.
If you do not have access to the content of the document,
call your general practitioner.
